

Synopsis

I have work with the Indonesian health care system for almost 30 years, both at the National and local level. I am teaching Health Policy Analysis for doctoral students together with Dr Arum Atamawikarta, Director of Health and Nutrition, Bappenas and with Dr Soewarta Kosen, senior researcher at the Institute of Health Research Ministry of Health (MoH). I am a classmate of the current Minister of Health. I personally knows all of echelon I and II of the MoH, many of whom were my classmates or my formers tudents. I know personally the Director General of Equitable Financing of the Ministry of Fincance (MoF) and the Chairman of the Agency for Fiscal Policy of the MoF. With such background I have a lot to offer to ensure succesful partership in making Health System Strengthening in Indonesia
