Professional Certificate in Strategic Health Planning

19th - 23rd March 2018 | London, UK

Dear Colleague,

We are delighted to announce a new date for the professionally accredited, five-day training programme - the [Professional Certificate in Strategic Health Planning](#) taking place in London from 19th - 23rd March 2018.

For all registrations which are booked and paid before 15th December 2017, a 25% reduction will be applied to the course fee. Please [contact us](#) immediately to take advantage of this reduction.

Strategic health planning is a vital policy priority for sustainable development in any context. This programme will examine the international, national and local pressures on health systems as well as the importance of strategy in the development of efficient, affordable and equitable health structures.

By the end of the course the delegates will be able to:

- Improve your ability to develop, construct and implement strategic plans in the health sector
