

INNOVATE | INTEGRATE | INSPIRE –
How can healthcare evolve to meet 21st century demands?

**Less than a month left until the abstract submission deadline,
submit your innovative project or program now!**

The Call for Abstracts for the [2018 World Hospital Congress](#) in Brisbane closes on **15 January 2018**. Don't wait until next year – submit an abstract now for a chance to share your work with the international healthcare community either through an oral or poster presentation.

Authors of accepted abstracts will be offered a special discounted Congress registration fee. Selected abstracts will also have an opportunity to be published in the International Hospital Federation journal and the Australian Health Review or present in a webinar.

SHOWCASE YOUR PROJECTS IN ONE OF THE THREE TRACKS:

- **From volume to value**
- **From four walls to the neighbourhood**
- **From information to intelligence**

VIEW MORE INFORMATION ON TRACKS

GENERAL CRITERIA:

- Presents an experience and knowledge sharing opportunity for the global healthcare community
- Addresses major issues of importance according to the 2018 Congress overarching theme
- Will be of practical benefit to an audience of decision makers in charge of health service delivery organizations
- Findings presented will be useful in advancing global health and healthcare
- Materials and methods are well presented and analysed, with appropriate case studies
- Is not too clinically focused

SUBMISSION FORMAT:

- The Congress language is English. All submissions must be in English.
- All submissions must be made online by creating an account [here](#).
- Submissions must not exceed 500 words and must use the abstract template

Don't delay - submit your abstract before the end of year holidays!
