Dear All,

### **Hospital Authority Convention 2019**

On behalf of the Convention Management Committee, I am pleased to extend our cordial invitation to you to participate in the Hospital Authority (HA) Convention in 2019 to be held on **14-15 May 2019** at the Hong Kong Convention and Exhibition Centre.

The Convention is an annual signature event of the HA and an important conference for the local healthcare community to promote sharing of knowledge and experience among healthcare professionals. Last year, the HA Convention was attended by over 5,600 clinicians and healthcare professionals, including mainly HA staff, as well as other healthcare managers and executives from Hong Kong, mainland China and overseas.

The scientific programme of the Convention 2019 will focus on the HA's core values, viz. "People-centred Care 以人為先", "Professional Service 專業為本", "Committed Staff 敬業樂業" and "Teamwork 群策群力", through which healthcare professionals and stakeholders will share on clinical advances and approaches to modern healthcare service and explore and discuss contemporary concepts. This year, we have invited some 90 distinguished overseas and local speakers to share their knowledge and insights. The list of overseas speakers who have confirmed their participation is at **Annex** for reference. There will be plenary sessions and symposiums on strategic topics and new developments in quality care; parallel sessions and special sessions on medical training, health IT, new clinical practices, hospital design and healthcare in mainland China; and masterclasses on clinical topics including toxicology services, trauma management, ICU services and blood management.

A leaflet of the Convention is enclosed for your easy reference. You may also visit the Convention website for more information:

Your organisation is a valuable partner of the HA and we welcome participation of your members/staff members for sharing and networking. I should be grateful if you would also assist in promulgating the Convention information to your members/staff members. The participation fees are HK\$2,500 for a two-day registration, and HK\$1,700 for a one-day registration.

I look forward to seeing you at the Convention. Should you require further information, please contact me at email [chus@ha.org.hk](mailto:chus@ha.org.hk) or telephone number (852) 2300 6568.

Yours sincerely,
